Mission Statement

Simply Soccer is an association of non-paid volunteers established for the love of the game. Organized to facilitate recreational soccer in Western Sonoma County, Simply Soccer promotes a cost effective, collaborative program. Parents will have input into the structure and leadership of Simply Soccer. The primary goals are for kids to have fun, succeed, develop soccer and team skills and not to necessarily win. We embrace these 5 philosophies:

- 1 - Everyone Plays:
Simply Soccer wants kids to have fun playing soccer, so every player will play at least half of every game.
- 2 - Balanced Teams:
Simply Soccer teams are established based on school regions and set up with skills as evenly matched as possible, because it is more fun to play teams of equal ability.
- 3 - Open Registration:
Simply Soccer is open to all kids ages 4-16 who want to play soccer. Interest and enthusiasm are the only requirements. Grants for families with needs for financial assistance will always be supported in the budget.
- 4 - Positive Coaching:
Simply Soccer has primarily parent coached teams, with coaches encouraged and trained to make the extra effort to offer positive encouragement and build team spirit as well as player self esteem.
- 5 - Good Sportsmanship:
Simply Soccer creates a positive environment based on love for the game, mutual respect and healthy competition, rather than just winning, stressing good sportsmanship in our kids, parents and volunteers.
